

AgriSafe Nurse Scholar

Course ID: 22CE00032

Release Date: **April 4, 2023**

Expiration Date: **March 15, 2024**

The estimated time to complete this enduring material is 23 hours and 45 minutes.

ACTIVITY DESCRIPTION

Because agriculture production provides a spectrum of risks caused by machinery, livestock, weather, chemicals, stress, and a lack of health care access, producers and workers are part of medically underserved populations with health disparities that correlate with occupational exposures. Nurses are the front-line resource to disseminate information along with preventing illnesses found in this unique population.

The Nurse Scholar online, on-demand program, based on a Total Farmer Health philosophy, provides education delivered by invited experts in identification, prevention, and treatment of a wide spectrum of exposures in agriculture and access to relevant and current clinical and public health resources.

TARGET AUDIENCE

This accredited continuing education activity is designed for rural nurses, nurse practitioners, and nurse educators.

EDUCATIONAL OBJECTIVES

At the conclusion of this enduring material, the participants should be better able to:

- Identify at least four priority health concerns in multiple rural/agricultural communities.
- Discuss clinical challenges to nursing practice in rural/agricultural communities.
- List a minimum of five evidence-based resources applicable to rural and agricultural nursing practice.

ACCREDITED CONTINUING EDUCATION

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by University of Nebraska Medical Center and AgriSafe. University of Nebraska Medical Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

ACTIVITY DIRECTOR

Natalie Roy, MPH
Executive Director
AgriSafe

METHOD OF PARTICIPATION

In order to receive ANCC contact hours, you must complete these steps prior to the activity expiration date:

- Complete the course pre-test.
- Participate in all Nurse Scholar sessions,
- Complete the post-test and evaluation for each session,
- Complete the final exam with a score of 80% or better,
- Complete the overall course evaluation,
- Download or print your certificate.

No partial credit can be awarded at this time.

DISCLOSURE DECLARATION

As a jointly accredited provider, the University of Nebraska Medical Center (UNMC) ensures accuracy, balance, objectivity, independence, and scientific rigor in its educational activities and is committed to protecting learners from promotion, marketing, and commercial bias. Faculty (authors, presenters, speakers) are encouraged to provide a balanced view of therapeutic options by utilizing either generic names or other options available when utilizing trade names to ensure impartiality.

All faculty, planners, and others in a position to control continuing education content participating in a UNMC accredited activity are required to disclose all financial relationships with ineligible companies. As defined by the Standards for Integrity and Independence in Accredited Continuing Education, ineligible companies are organizations whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. The accredited provider is responsible for mitigating relevant financial relationships in accredited continuing education. Disclosure of these commitments and/or relationships is included in these activity materials so that participants may formulate their own judgments in interpreting its content and evaluating its recommendations.

This activity may include presentations in which faculty may discuss off-label and/or investigational use of pharmaceuticals or instruments not yet FDA-approved. Participants should note that the use of products outside currently FDA-approved labeling should be considered experimental and are advised to consult current prescribing information for FDA-approved indications.

All materials are included with the permission of the faculty. The opinions expressed are those of the faculty and are not to be construed as those of UNMC.

DISCLOSURES

The accredited provider has mitigated and is disclosing identified relevant financial relationships for the following faculty, planners, and others in control of content prior to assuming their roles:

FACULTY

Jill Poole, MD

*Clinical Studies Participant: Astra Zeneca, GlaxoSmithKline, Takeda
Research: Astra Zeneca*

The below faculty have nothing to disclose:

- Christine Chasek, PhD, LIMHP, LADC, LPC
- Rupali Das, MD, MPH, FACOEM
- Kelley Donham, MS, DVM, DACVPM
- Linda Emanuel, RN
- Charlotte Halverson, BSN, COHN-S*
- Susan Harris, MLS
- Tara Haskins, DNP, RN
- Sarah Hunt, DNP, MSN, APRN, FNP-BC
- Charles Jennissen, MD
- Stephen Kirkhorn, MD, MPH, FACOEM*
- Marjorie McCullagh, PhD, RN, PHNA-BC, COHN-S, FAAOHN, FAAN
- Athena Ramos, PhD, MBA, MS, CPM
- Deborah Reed, MSPH, PhD, RN, FAAOHN, FAAN
- Knesha Rose-Davison, MPH
- Natalie Roy, MPH*
- Diana Simmes, MPH

**Faculty and planning committee member*

PLANNING COMMITTEE

The below planning committee members have nothing to disclose:

- Valeta Creason-Wahl, HMCC
- Ansley Fey, MPH
- Stacy Jenkins, CPH
- Heidi Keeler, PhD, MSN/MBA, RN
- Renee Paulin, MSN, RN, CWOCN
- Cheryl Witt, PhD, RN

FINANCIAL SUPPORT

Program support provided by CHS.
